NEWSLETTER

Vol. – 247 December 2018

NEWS ON THE RACE PROGRAM AND HWOE

Hopefully you received the industry notice from the harness office from RWWA. The advice acknowledged that the existing race program did not have sufficient races programmed for 3YO, WESTBREDS and Fillies and Mares. More importantly, the program is being amended to ensure these races are scheduled as soon as possible. WASBA has certainly been requesting these changes and it is encouraging that progress has been made.

Other changes are mooted, with concessions, standing starts, preferential barrier draws, HWOE groupings, "Also Eligible" conditions, \$Last 5 levels all likely to undergo change. Certainly we are keen to see horses not being penalised for "having a go" in Group type races in particular, and higher class races in general.

It is also good to see that work is currently underway to provide an explanation of the new model for the wagering customer, who was left confused when the system changed mid November.

These and other issues have been raised by the industry with RWWA over the last few weeks and it is a positive result that changes will be made subsequent to these industry representations.

Splitting of races will still be carried out based on descending HWOE dollars.

Although changes are imminent, you should continue to feed in your concerns. Unless the concerns are identified they cannot be corrected. So please continue to be forthcoming with your comments and feedback so that the system can work for the benefit of the industry, and that means you.

If you did not receive the industry notice, please let us know and we can forward you a copy.

BUSSELTON off and running on Boxing Day

The first races for the Busselton season are 26 December and these include the Sweetheart Series. Make sure you get your nominations by the required time – the Christmas holiday period does mean changes to the nomination and acceptance times so don't get caught out!

The Busselton Sweetheart Series will run over 4 nights (26 December, 4, 11 and 18 January) with two races per night if enough fillies and mares nominate.

The Busselton Cup will now be \$15,000, run on 25th January, the final night of the Busselton Season. And there are two Westbred races (separate male and female 3yo+) on the final night for \$7,000 each.

WASBA and Busselton are providing bonuses for the Sweetheart Series, with WASBA Bonuses of \$500 to the leading point scoring Westbred, \$500 to the breeder and \$500 to the racebook owner of that filly/mare on the completion of the series. Conditions for the Sweetheart Series, under HWOE, are similar to previous years.

2YO RACES START JANUARY

The 2yo races are programmed to start from 7 January, with an open 2yo at Pinjarra that day and a fillies as well as an open 2yo scheduled for 14 January at Pinjarra. MHR has guaranteed that these races will be run so make sure you get your nomination in!

Please note that under the HWOE system you will NOT be able to start your 2yo in races that are not 2yo races. If you find you are not getting the right opportunities for your 2yo it will be very important to raise that as an issue.

Heats and Finals of the WA APG 2019 2YO Sales Classics

Heats of the 2YO Sales Classics are being run on 26 February at Gloucester Park, with the separate **2YO \$100,000 Finals** on **Friday 8 March 2019**, two days before the 2019 WA APG Yearling Sale. Your 2yo needs to be qualified to race prior to close of nominations.

The **3YO \$50,000 Sales Classics** will be run on **15 March 2019**. At this stage there are no heats programmed.

What about TIGER TARA in the Inters?

A car crash in August that nearly killed him, some really tough runs in between, and a record breaking run at Melton in 1:53.9 over the 2760m distance (beating the record of Lazarus). Getting to the front from his barrier 7, **Tiger Tara (Bettors Delight** out of Tara Gold by **Dream Away**) was a brilliant winner of the 2018 Inter Dominion by over 14 metres and truly, no one could begrudge him that win.

Tiger Tara, driven by regular reinsman Todd McCarthy, started outside the front line (7) and crossed outsider Mach Doro who had dashed past polemarker Galactic Star at the start. Galactic Star was checked by Tiger Tara and galloped, losing all chance, when trying to go between Mach Doro and Tiger Tara. Todd McCarthy received a three week suspension and \$1,000 fine for the interference. However, the victory was a dominant one with Tiger Tara running a 26.3 3rd quarter and 27.9 last qtr to just run away with it. The last mile was run in 1:53 flat.

An 8Y0 entire, Tiger Tara led and won the 2018 Victoria Cup over 2240m in October, beating Chicago Bull by 12.2m after Chicago Bull was three wide and then breezed with last quarters in 28.9, 26.3 and 27.7. There's that 26 second third quarter again. Then he was a gutsy nose second in the 3200m stand of the New Zealand Cup in November. His Inters campaign was full of merit (as was last year in Perth) with a heat win and two placings.

Tiger Tara comes from an exceptionally successful family, with his unraced dam **Tara Gold** (Dream Away) a daughter of **Atomic Gold (Sokys Atom)** who is also the dam of **Power Of Tara (Live Or Die)** 1:50.6 \$846,608. Power Of Tara was an exceptionally nice horse who won 5 consecutive races in WA including the 2009 Fremantle Cup over 2902m, beating horses of the calibre of Divisive, Im Themightyquinn, and Washakie.

Tiger Tara has started 99 times for 31 wins, 37 places and \$1,960,315 in stakes. A stud career beckons for this very fast son of Bettors Delight.

JOSEPH COULTER AWARDS TO WA

The recently announced Joseph Coulter Awards for the 2017/18 season were a credit to Western Australia and the individuals concerned, with three WA winners.

Ashlea Brennan received her second consecutive Coulter Award of Merit in the category of "Social Media Usage and Innovation". WASBA Committee member, well known WA (and Australian) breeder and former Alabar General Manager John Coffey received the Graham Goffin Memorial Award in the category "Best Regional Story" for his story "From Royal Ascot to Gold Crown". The third winner is well known to everyone and is WA harness racing historian Alan Parker who won his 13th Joseph Coulter Award, the Graham Goffin

Memorial Award for "Best Historical Feature", with his story on "Norm Craven: a Pioneer of WA Standardbred Breeding". Congratulations to the three winners, all very worthy.

RECENT MEMORABLE MOMENTS

- ♣ The Golden Nugget a Greg and Skye Bond affair with two very nice horses finishing first and second in **Ana Malak (Bettors Delight)** and **Mighty Conqueror (American Ideal)**, and the next 2 placegetters as well. The first three placegetters were all by different sires, with **Fizzing (Mach Three)** an entire as is Ana Malak. Unfortunately they used up all their luck on the Friday, with Galactic Star not so lucky in the Inters Final on Saturday;
- ♣ **Our Angel Of Harlem (Mach Three)** motoring away to win by 16m in a Heat of the Coulson;
- ♣ Great win by **Gotta Go Gabbana (Gotta Go Collect)** in a Heat of the Christmas Gift after bad luck in the Group 1 Mares Classic;
- ♣ Some of the 3yos going super (albeit not in 3yo races) including 2yo dual Group 1 Pearl and Golden Slipper winner Franco Edward (American Ideal). But what a super run by **Ginas Ingot (Allamerican Ingot)** to run him within a half head.

BREEDER OF THE MONTH – NOVEMBER 2018

The Breeder of the Month award goes to a different WA bred horse each month. Previous (horse) winners are not eligible for later WA Breeder of the Month awards. You must be a WASBA member to win a Breeder of the Month Award. All other breeding awards are open to all WA breeders.

A number of dual winners again this month and some very special performances from them and other worthy recipients, so really tough to choose. However the girls win it again this month with *congratulations* to our **Breeder of the Month for November, Mike Hackett's Global Breeding Farms** with 5yo mare **Lil China Doll (Four Starzzz Shark** out of Crystal Sun by **Life Sign**), who not only won three races in the month but also won her owner and breeder the \$2,000 first win bonuses. Her first win was at Northam, followed by a third at Pinjarra and then consecutive wins at Bunbury and Pinjarra. She has since won a race at Gloucester Park in December and her best mile rate is a very handy 1:57.7 set at Pinjarra.

Her dam **Crystal Sun** had only 6 starts but in those 6 starts she won the Group 2 Sales Classic and earned over \$37,000 in stakes. Lil China Doll is her only live foal. The dam of Crystal Sun is the lightly raced **Aussie Barbie (French Chef)** who is a half sister to 6 winners. Aussie Barbie is also the dam of **Aussie Safe (Safely Kept)** 1:58.2 20 wins \$128,916, **Loaded Aussie (Fully Loaded)** 1:58.7 13 wins \$119,719 and the unraced **Barbies Afella (Pacific Fella)** who is the dam of **Hoylakes First Lady (Artesian)** 1:57.8 13 wins \$188,178.

Lil China Doll had one start as a 2yo and her next race start was October this year as a 5yo. Her first win was only her 5th race start and she now has 4 wins and 2 places from 10 starts.

Lil China Doll is a perfect example of why it is so important to have opportunities for the mares and others who have either been injured, unsuccessful to date or late maturers. Congratulations to Mike and **Lil China Doll**, and owner Kendall Laidlaw.

WA BASED SIRES – NOVEMBER 2018

November produced 13 Westsired winners of 15 races, from 7 different WA sires. **Allamerican Ingot** produced the greatest number of winners with 5 winners of 5 races.

There were two dual winners for the month, **Squillions** (Lifes Not Fair) and **Im Soxy** (Rich And Spoilt).

Mister Riggers (Allamerican Ingot) earned his first win owner and breeder bonuses for his first career win.

There was one Westsired winner at Gloucester Park metropolitan stakes meetings in November, and didn't he do it well. Congratulations to the winner and his connections:

- ♣ **Im Soxy (Rich And Spoilt)** breeder Harry Capararo, in outstanding form, led and won a \$22,000 M1 to M3 in 1:57, last half 56.1, then led and won a \$20,000 M2 in 1:56.6, last qtrs. 28.2 and 27.7 making it nearly \$100,000 in earnings in just two seasons since taken over by trainer Brian Clemens.

You will be able to buy one of the last foals from **Rich And Spoilt** at the 2019 APG WA Yearling Sale, along with several of the other WA based sires including the first commercially available crop of **Follow The Stars**. Yearlings from all the WA based sires available, including **Renaissance Man**, **P Forty Seven USA**, **Parsons Den USA** and **Allamerican Ingot USA** will be eligible for the double Westsired Win Bonus.

WESTBRED WINNERS – NOVEMBER 2018

Westbreds won 88 (46.1%) of the 191 races run in November 2018. Without the Inters for the first time in 4 years it has allowed us to balance up the results a little, although the majority of the wins in the month came before HWOE was introduced. Our target of 50% winners remains a focus regardless of the handicapping system in place.

There were only 13 Westbred races in November 2018, which, needless to say, was extremely disappointing. Following the news release from the harness office we believe this will improve considerably.

Of the sires based outside WA, **Bettors Delight** did best with 6 winners of 8 races, followed by **Art Major** with 4 winners of 5 races. **Four Starzzz Shark** produced 2 winners of 5 races, followed by **Mach Three** with 4 winners of 4 races and **Courage Under Fire** with 3 winners of 4 races.

In what is really a top effort, there were 13 multiple winners for the month from sires bases outside of WA. Dual winners were **Innocent Affair** (Art Major), **Davinci Diamond** (Artiscape) for the second consecutive month, **Bitcoin** and **Khun Ratha** (Bettors Delight), **Baylan Jett** (Courage Under Fire), **Prince Of Smiles** (Elsu), **Patrickthepiranha** (Four Starzzz Shark), **Tims Portrait** (Modern Art), **Thisbeachrighthere** (Somebeachsomewhere), **Wesley** (Sportswriter), **Cavalry Call** (Tintin In America) and **Lady De La Renta** (Well Said). There was one triple winner for the month – **Lil China Doll** (Four Starzzz Shark).

There were 12 first time winners in November taking home their \$2,000 owner and \$2,000 breeder winner bonus. In a better month than October, there was \$15,962 paid in Westbred Bonuses, and just under \$2,000 paid in Breeder Bonus.

We are continuing to request that early 3yo races are programmed and run, with some adjustments to the HWOE levels. We believe this is likely to occur given feedback provided to RWWA.

We will also be looking for equivalent replacement end of season opportunities for the very successful end of season 3C0 races that have been run at Gloucester Park in July and August over the last three years. These have also been very successful turnover races, and therefore good for all aspects of the industry.

There were 10 WA bred winners of 12 races at Gloucester Park prime meetings in November. Included in this tally is one winner listed under the Westsired section. Congratulations to the breeders and connections of these Westbreds. The 9 WA born horses are listed below:

- ◆ **Danieljohn (Blissfull Hall)**, breeder John Bell, ran second in October then started from 1, led and won a \$20,000 M1 Heat of the Kersley by 2.2m in a solid 1:56.3, 3rd qtr 27.8 and last half 56.9;
- ◆ **Davinci Diamond (Artiscape)**, breeder and part owners Rob and Ann Macdonald, won an \$8, 500 C5+ at Pinjarra in 1:56.3, last qtrs. 27.7 and 28.1 then 18 days later led and won an \$18,000 Pace making it 4 wins and 2 seconds from 7 starts and over \$30,000 this season so far;
- ◆ **Free To Air (P Forty Seven)** breeders Russell and Dianne Eddy, had a good last season, settling two back the fence in an evenly run race, got off the rails coming into the home turn and ran down the leaders to win the \$18,000 Pace by a half neck n 1:59.3;
- ◆ **Handsandwheels (Mach Three)** breeder Mike Howie, in top form, settled in the one by one, hooked out 3 wide at the 400 and went on to win the \$20,000 Pace by 1.6m in 1:58.0, last qtrs 28.4 and 27.6;
- ◆ **Khun Ratha (Bettors Delight)** breeder Paul Poli, second up and in very good company, led and won a 2130m \$20,000 M2 by 1.4m in a lifetime best of 1:55.0, last half 57.2;
- ◆ **Shock Wave (Mach Three)** breeders Kevin and Annette Charles, a good second at Pinjarra and then a solid run to win an \$18,000 3YO by an easy 19.5m in 1:56.6, last qtrs 28.1 and: 27.9 ;
- ◆ **Thereugo (McArdle)** breeder Donald Harper, got the fly from his barrier 7 and with his customary gate speed went straight to the front, walked the first quarter then went on to win the \$20,000 M1 Heat 2 of the Kersley by a half head, in a 27.6 last quarter;

- ◆ **Tyler Brett (Robin Hood)**, owner breeder John Bell, driven hard from 5 to get to the lead, went on to win the \$20,000 Heat 3 of the Kersley by 1.5m in 1:55.7, last qtrs. 27.9 and 28.3; and
- ◆ **Wesley (Sportswriter)**, breeder Lombo Standardbreds, won two consecutive races with a win from barrier 9 in an \$18,000 M0 after scooting to the front over the 1730m, left the field behind to win by 13.1m in 1:56.5, last qtrs. 28 and 28.3 then a fortnight later led and won a \$20,000 race in 1:56.8.

Stakemoney earned by Westbreds finishing in the first 6 places in all races in November was \$711,021, a nice increase on last year without the interstate visitors. Total stakes earned by Westbreds was \$757,316, up about \$200,000 on September 2018, 35.6% of total stakes was paid to Westbred starters (down from 38.9% in October) out of \$2,130,123 paid (advertised stakes \$2,159,000). Like last month, 52% of race starts were Westbred horses.

Our target figure for WA bred winners is 50%, with proportional stakes earned. We are still looking for better results in this area. Numbers should improve under the right programming with HWOE and "like" racing "like".

HOW DID THE FILLIES AND MARES GO (November 2018)

Fillies and mares won 22.5% (43 races) of the 191 races run in November 2018. This is lower than October 2018 (27.0%) and November 2017 (24.2%). We expect these figures were influenced by the HWOE and with changes mooted we are looking to get higher number in January at least.

We will continue to push for 30% winners and Australia wide, administrators have recognised that better winning opportunities need to be provided for fillies and mares and their owners.

Of the wins by fillies and mares, 24 (12.6%) were open races and the remaining 19 (9.9%) races were restricted to fillies/mares, compared to a only 12 in November last year. However, it isn't always about the number of fillies and mares races but about the opportunities to win, and the fillies and mares did better in November last year with 44 wins from 182 races. So the right mix of races and concessions is required.

Overall, there were 3 wins by 3yo fillies, none in 3yo races. It is currently not possible to split the other races into classes. However, 21 of the winners were 4yo mares, 14 were 5yo mares and the remaining 5 were over 5.

Westbred fillies and mares won 23 (53.5%) of the 43 races won by fillies and mares and 46.7% of the stakes. These figures are a dip on October (in percentage terms) but a slight increase in dollars earned.

All up, stakemoney earned by fillies and mares finishing in the first 6 places in all races in November was \$428,504, with total stakes paid to fillies and mares for all starters being \$451,739 or 21.2% of total stakes paid in the month. This was a disappointing month in this regard, with the options for mares to earn quite limited. This was brought to the attention of RWWA and we believe the recent news release supports the contention that the program needed to improve and will do so.

There were 7 mares winning 7 of the 50 (14.0%) races at Gloucester Park metropolitan meetings in November. This is low, and although none of these winners were WA bred, they are all very nice mares owned in WA and we sincerely hope they will remain in WA to add to our broodmare and racing pool.

Winners were NZ mare **Maczaffair** (Mach Three) with a top class win in the \$30,000 open York Cup and then a win in the \$30,000 Howard Porter Memorial for mares. **Eden Franco** (Christian Cullen) won the \$50,000 Norms Daughter Classic, **Pick My Pocket** (Bettors Delight) won an \$18,000 Mares M0-M1, **Millview Sienna** (Jeremes Jet) won an \$18,000 Mares, **Our Angel Of Harlem** (Mach Three) won an \$18,000 open race and **Beach Goddess** (Somebeachsomewhere) won and \$18,000 M0.

Also winning was 4yo Westbred mare **Innocent Affair (Art Major)** who won the \$14,000 WASBA Bob Humphries Memorial Westbred Mares Pace at Bunbury in a very exciting finish, for breeder, owner trainer Debra Lewis.

Certainly disappointing after a good month last month, and certainly one of the reasons we have sought better programming and better incentives under the HWOE conditions.
