NEWSLETTER

Vol. – 246 November 2018

NEW HANDICAPPING SYSTEM

The new HWOE system commenced Friday 16 November and is still undergoing change, including to nomination and acceptance closing times. We suggest if you are thinking of nominating for a race then do so early to avoid missing out.

We have raised a number of issues that we will be following through. In particular Westbred, fillies and mares and juveniles are currently being impacted. We were always advised that these groups would not be disadvantaged, and that Westbred only races would not be reduced, and we are expecting those assurances to be reflected in the race program.

If you are having any difficulty with the new system please contact the RWWA office, or discuss your concerns with WASBA or one of the Eligible Bodies so that they can adequately represent you.

If you are on email you would have received advice concerning the industry meeting held at Byford on Sunday 23 November. There were a number of concerns raised and the elected representatives from the meeting have had two meetings with RWWA. A submission has been provided to RWWA detailing issues and practical options for consideration. This has been excellent work in a very small timeframe to reflect the concerns of the industry. Further discussion is expected.

The new HWOE system is in its infancy and while changes are underway, including treatment of concessions, with such a major change it could not be expected to be a perfect fit from day one. Nevertheless that is even more reason to identify issues that impact you now, rather than wait until later when it may be too late to fix.

CHIEF HANDICAPPER GONE

It is with great disappointment we say goodbye to RWWA's Chief Handicapper Warren Wishart. We have always found Warren to be prepared to listen to our point of view, and in fact without Warren we would never have had Westbred only races and improvements to mares racing opportunities, or the very successful end of season 3yo races. These have been significant achievements and reflect well on our position, until recently, of being the only state that did not have reducing foal crops. We have come a very long way from where we were, and we still have a way to go. If you have ever benefited from one of those initiatives, remember to thank Warren when you see him next.

We will put our heads together to come up with a way that we can thank Warren for his service to harness racing, but suffice to say his cheery demeanor and willingness to listen and be proactive will be sorely missed.

We will also be making every effort to thank our former Secretary Megan Schrader who has put in an enormous effort at RWWA over many years. Megan too is one of the "chosen ones" who is currently on "holidays".

WA APG 2019 YEARLING SALE

The **2YO \$100,000 Finals** will be held on **Friday 8 March 2019**, two days before the Sale. Under the APG banner, the 3yo Sales classics have been upgraded, to **3YO \$50,000 Sales Classics** on **15 March 2019**.

12 MONTH INDICATIVE PROGRAM

This program is on line to help you make plans for your horse. However it is in its infancy and there are lots of things happening – certainly we have asked for changes where we believe the program is inadequate and we will follow up in all those areas.

The 12 month racing program is available on the HRA website under Meeting Calendar. Go to the <Racing> tab and select <Meeting Calendar>, or type in <http://www.harness.org.au/racing/meeting-calendar/>

This calendar is subject to change but it should give you a guide about the upcoming races for your horses over an extended period. We think this is a very positive outcome for everyone.

DON'T FORGET BUSSELTON

Even better news! The Busselton Cup will now be \$15,000, run on 25th January, the final night of the Busselton Season. And there are two Westbred races (separate male and female 3yo+) on the final night for \$7000 each.

Again this year, WASBA and Busselton will be providing bonuses for the Busselton Sweetheart Series, which will be run over 4 nights (26 December, 4, 11 and 18 January) with two races per night if enough fillies and mares nominate. WASBA will be providing bonuses of \$500 to the leading point scoring Westbred, \$500 to the breeder and \$500 to the racebook owner of that filly/mare on the completion of the series. Conditions for the Sweetheart Series are very similar to previous years, just under the new HWOE.

3YO+ FILLIES & MARES SS PACE (Level 1) \$4,500, HWOE \$0+.

GREAT NIGHT FOR WASBA BOB HUMPHRIES MEMORIAL

The 2018 WASBA Bob Humphries Memorial run on 17 November at Bunbury was one the first races run under the new handicapping system. What an excellent night, with free entry and market stalls resulting in a bumper crowd to watch the racing. And what a nice race, with a great finish from the winner **Innocent Affair (Art Major)**!

Bred, owned and trained by Debra Lewis and driven by Chris Lewis, Innocent Affair came with a late and wide run from the 400m to run down race leader Jingle Jolt by 1.1m, with a four across the track finish and only 10cm separating second place from deadheaters Dancing With Mach and Alkira Quattro Jet in third.

Innocent Affair is a 4yo full sister to multiple Group 1 winner **Restrepo** 1:52.4 19 wins \$527,118. Unlike Restrepo who was a star juvenile, Innocent Affair only commenced a racing career as a late 3yo. She has had just 23 starts for 7 wins and 8 places.

For mares like Innocent Affair who either were late starters or had interrupted careers, or did not have early success, WASBA believes it is critical to maintain racing opportunities like the WASBA Bob Humphries. Owners and breeders can then, still get to see the potential of their mare and give her both a racing and subsequently a breeding career from the stakes she is able to earn. These races also help to remind us of the significant contribution to our industry that others have made in the past.

Thank you to everyone who put their hand up to start – we understand that not everyone finds it easy to work out the new system so we would like to thank you for giving it a go so early in it's history.

RECENT MEMORABLE MOMENTS

- ♣ The Inters Final is coming up. Not quite the same without some of our favourites but nevertheless a great series. Good to see the Trotters included. Last year's runners Galactic Star (drawn 1) is through to the final, as is Tiger Tara (7) and San Carlo (8). Cruz Bromac and Spankem are favoured to win. Nice lead up stories and history, but difficult to read about it and bit of a mystery where they hid the points tally;
- ♣ Some excellent prospects for the Golden Nugget, with very competitive racing and at least half the field still stallion prospects;
- ♣ Two in a row for Champagne Classic winner **Wesley** (Sportswriter), nice to see;
- ♣ The barrier draws looking a little interesting, with trainers with multiple runners definitely testing the statistical odds of having their runners repeatedly draw next to each other on Friday at Gloucester Park;
- ♣ Very nice wins by **Eden Franco** (\$50,000 Norms Daughter Classic) and **Maczaffair** (\$30,000 Howard Porter Memorial) and capped off by the win of **Millview Sienna** in the \$125,000 Westral Mares Classic at odds of 90/1!;
- ♣ Rags to riches for the impressive looker **Im Soxy**, by local stallion Rich And Spoilt (dec). \$40,000 last season and up to that amount this season already, including a 3rd in top class company in the Bunbury Cup;
- ♣ We seem to be doing terrible news, with Chicago Bull last month and Jack Mac this month. Both deserve the best of luck in their recoveries.

BREEDER OF THE MONTH – OCTOBER 2018

The Breeder of the Month award goes to a different WA bred horse each month. Previous (horse) winners are not eligible for later Breeder of the Month awards. The only breeding awards provided in WA are provided by WASBA and the monthly Award is the only Breeding Award that is restricted to WASBA members.

A number of dual winners put in great performances, not to mention some other good performances in both the metro and country. However, it's **congratulations** to our **Breeder of the Month** for **October, John Rogers (along with G, V and C Rogers and D Condipodero)** with 3yo filly **Georgie Mae (Alta Christiano** out of Kanata Queen by **Northern Luck**) winning her first race at Kellerberrin (Central Wheatbelt) in one of the fastest times run at the track over the 1730m journey. Georgie Mae led and won in 1:56.7, with the track record at 1:56.1.

Georgie Mae is the first foal out of **Kanata Queen (Northern Luck)** 1:57.5 \$77,260, the winner of 6 races and 12 places from only 34 starts. She was placed at Group 1, Group 2 and Group 3 level and is a half sister to non winner **Like Royalty (Parsons Den)** dam of 3 winners including **Paramedic (Dr Drew)** 1:57.8 \$79,461 and Group 1 winner, the ill fated **All Aussie Boy (Allamerican Ingot)** 1:57.6 \$115,268.

Congratulations **Georgie Mae** and breeders John and G, V and C Rogers and D Condipodero.

WA BASED SIRES – OCTOBER 2018

October produced 12 Westsired winners of 13 races, from 8 different WA sires. Allamerican Ingot produced the greatest number of winners with 4 winners of 4 races.

There was one dual winner for the month, with (mare) **Infinite Symbol (Indomitable Saab)** winning two races.

Camluck King (Allamerican Ingot) a full brother to Group 1 winner **Allamerican Queen**, earned his first win owner and breeder bonuses for his first career win.

There were three Westsired winners at Gloucester Park metropolitan stakes meetings in October, which is a nice result. Congratulations to these winners. One of the winners is included in the fillies and mares section. The remaining winners were:

- ♣ **Lot Twenty One (Allamerican Ingot)** breeder Royalstar Pty Ltd, started favourite, skipped out, had to go forward and breeze, but was too good and won a 1730m \$18,000 M0 by 11.9m in 1:57.8; and
- ♣ **Sir Nicholas (The Bantam)**, owner breeder Robin Arnold, started from 7, settled quickly into the one-two, followed a forward move in the back straight and ran on well for a well deserved win in an \$18,000 M0 in a lifetime best of 1:56 over the 1730m.

Don't forget the 2019 APG WA Yearling Sale will contain a nice selection of WA sired yearlings, all eligible for the double Westbred Bonus. Sires included are Follow The Stars, Renaissance Man, P Forty Seven USA, Parsons Den USA, and the final Westsired yearlings from Allamerican Ingot USA and Rich And Spoilt.

WESTBRED WINNERS – OCTOBER 2018

Westbreds won 73 (41.0%) of the 178 races run in October 2018. This figure is 14 more than September 2018 (from 28 more races) and slightly higher in percentage terms than October 2017 (40.0% from 210 races), but there were quite a few less races run in the month. There is no question that our target of 50% winners is a reasonable one, and we will be working to ensure that we can reach this level under HWOE.

There were only 22 Westbred races in October 2018, which is 3 less than the previous year but is actually a higher percentage, given that there were 32 less races run. We reasonably expect an average of not less than one Westbred race per meeting, which equates to around 1 in every 8 races – not a lot to ask for in the environment in which we race.

Of the sires based outside WA, **Shadow Play** did best with 5 winners of 7 races, followed by **Art Major** with 4 winners of 4 races.

There were 5 multiple winners for the month from sires bases outside of WA. Dual winners were **Davinci Diamond** (Artiscape), **Folsom Prison** (Lombo Pocket Watch), **Call Me Buddy** and **Delightful Shadow** (Shadow Play) and **Jasmin Amali** (Sportswriter).

There were ten first time winners in October taking home their \$2,000 owner and \$2,000 breeder winner bonus, including one 3yo Westsired and three other 3yos. With few 3yo races run, there was limited opportunity for Westbred Bonuses, with just over \$1,000 paid in Westbred Bonuses.

We have requested that these early 3yo races are run and are given the same treatment as RWWA has indicated they will give the early 2yo races. MHR has promised to provide guaranteed racing opportunities for 2yos early in the season, running the programmed races regardless of number of acceptors.

We will also be looking for equivalent replacement end of season opportunities for the very successful end of season 3C0 races that have been run at Gloucester Park in July and August over the last three years.

There were 15 WA bred winners of 15 races at Gloucester Park prime meetings in October, a very nice result. Included in this tally is two winners listed under the Westsired section and four Westbred mares listed under the fillies and mares section. Congratulations to the breeders and connections of these Westbreds. The remaining 9 WA born horses are listed below:

- ◆ **Chiaroscuro (Art Major)**, breeder Kody Charles, settled behind the race leader, got into the one one with a lap to go, went 3 wide and finished strongly to win an \$18,000 M0 in 1:59.4, last qtr 28.3;
- ◆ **Destined To Rule (Shadow Play)**, breeder Steve Johnson, from 3, settled 2 back the rails and got the run he needed to flash home 4 wide to win a Westbred C5 to C9 by 1.7m in 1:57.5, last half 57.7;
- ◆ **Fanci A Dance (Rock N Roll Heaven)** owner breeders Barry and Jimmy Howlett, started wide, went straight to the breeze, put pressure on the leader from the 800 and cruised home in the end to win the \$10,500 C5 to C9 Westbred by 9.4m in 1:58.3, last qtrs 28.3 and 28 flat;
- ◆ **Handsandwheels (Mach Three)** breeder Mike Howie, first run back this prep, started a short priced favourite from barrier 4, led and won the \$22,000 M1 to M3 by 3.1m in 1:58.2, last qtrs. 28.5 and 28.2;

- ◆ **Rock Me Over (Rock N Roll Heaven)** breeder Mike Howie, after 4 in a row in Aug/Sep, started favourite from 2 and well rated in front to win an \$18,000 M0 by 3.2m in 1:57.4, last qtrs. 28.3 and 28.9;
- ◆ **Suspicious Life (Life Sign)** breeder Mike Howie, started inside the back line, settled 2 back the fence, got out at the 600 and dashed away to win the \$18,000 M0 by 4.1m in a lifetime best 1:55.6;
- ◆ **Tanaka Eagle (Elsu)**, breeder Total Strategy Pty Ltd, started from 1, led and went on to win the \$18,000 M1 comfortably by 6.1m, mile rate 1:58.4 and last qtrs. 28.9 and 28.3.;
- ◆ **Thereugo (McArdle)** breeder Donald Harper, from 7, showed his customary barrier speed and went to the front, never in danger and won an \$18,000 M0 by 3.1m in 1:58.7, last qtrs 27.8 and 28.1; and
- ◆ **Tommy Be Good (Jeremes Jet)**, breeder Patrician Park, settled 3 back the fence, got out with 300 to go and flew home to win the \$30,000 Parliamentarians Cup by 2.2m in 1:55.9, last qtrs. 28.3 and 28.7.

Stakemoney earned by Westbreds finishing in the first 6 places in all races in October was \$623,593. Total stakes earned by Westbreds was \$661,043, up around \$100,000 from last month on the back of the 14 extra race wins, and 38.9% of stakes was paid to Westbred starters out of \$1,698,400 paid (advertised stakes of \$1,726,500). Like last month, 52% of race starts were Westbred horses.

Our target figure for WA bred winners is 50%, with stakes earned being proportional to that. While there has been steady slow improvement over recent years (even during the Inters years), we still need further improvement. If HWOE does what it was introduced to do ("like" racing "like"), these numbers should improve.

HOW DID THE FILLIES AND MARES GO (October 2018)

Fillies and mares won 27.0% (48 races) of the 178 races run in October 2018. This is higher than the previous month (26% of 150 races) and although lower in number terms (by 2) than October 2017, it is a much higher percentage figure with 210 races run in October 2017 compared to 178 this year. In fact, it's the highest October figure since we have been taking numbers back in 2011. Thank you Warren!

Our target remains at 30% and we have been assured that the new HWOE system should prove better for fillies and mares. There is a lot of "activity" in the program around concessions for Westbreds, fillies and mares and juniors and we are requesting better options.

Of the wins by fillies and mares, 28 (15.7%) were open races and the remaining 20 (11.2%) races were restricted to fillies/mares, compared to 23 in October last year. It is worth noting that the ability to increase the number of fillies and mare winners is not just about providing separate races for fillies and mares, but providing the right races overall, and the right concessions.

Overall, there was one win by a 3yo filly, that being in a R0 event. There were 10 other wins in R class, 23 wins in classes from C0 up to C2, 4 in classes up to C6 and 10 wins in M or FFA class, which is excellent.

Westbred fillies and mares won 24 (50.0%) of the 48 races won by fillies and mares and 48.1% of the stakes. These figures are a slight dip on September (in percentage terms) but a slight increase in dollars earned.

All up, stakemoney earned by fillies and mares finishing in the first 6 places in all races in August was \$410,671, with total stakes paid to fillies and mares for all starters being \$432,211 or 25.4% of total stakes paid in the month. We expect to see an improvement under the HWOE system.

A better month at metro stakes meetings in October, with 9 mares winning 10 of the 40 (25.0%) races. Winners included NZ mares **Bettor B Chevron** (Bettors Delight) in an open M2 class; **CC Chevron** (Art Major) won an open M1; **Eden Franco** (Christian Cullen) won a \$20,000 open M2; **Shes Turbo Charged** (Santanna Blue Chip) won an \$18,000 M0-M1 mares race; and dual winner **Dontstopbelievin** (Somebeachsomewhere) won a Heat and the \$30,000 Final of the M0 Mares Preux Chevalier.

Congratulations to the connections of all the fillies and mares who won in October. The WA bred winners at Gloucester Park were:

- ♥ **Bettorgrinanbarit (Bettors Delight)**, owner breeder Seahorse Racing Stables, settled one-one before moving out 3 wide in the back straight and going on to an easy win by 10m in Heat 1 of the \$18,000 Preux Chevalier in 1:57.1;

- ♥ **Forever Remembered (Shattering Class)** breeder Debra Ashcroft, started at 23/1, restrained to last, 3 and 4 wide from the 400m then 6 wide in the straight and swooped to win a 2536m \$22,000 M1 to M3;
- ♥ **Kissmecougar (Live Or Die)**; breeder Neil Henwood settled one out three back, made a lightning move in the back straight to be 3 wide and third at the 400m, kept going and grabbed the lead with 10m to go to win an \$18,000 M1; and
- ♥ **Soho Changeling (Art Major)** breeder Robert Watson, started well from 1 but took the sit behind the race favourite, got out at the top of the straight and ran down the leader to win by a neck in 1:58.2.

WASBA CONSTITUTION AND 2019 MEMBERSHIP

The WASBA constitution is currently being revamped which may result in a change to the membership year if approved at the 2019 AGM. Once the proposed revised constitution is finalised we will let members know in time to consider the new constitution at the next AGM.

One change that is being put forward is separating membership fees from subscription to Trackbred. WASBA will still be providing Trackbred at a significant discount to those members wishing to receive it.
